The NYS GRI Chapter is a group organized to bring GRI candidates and designees together. Those who have already become designees have much to share with aspiring candidates.

The NYS GRI Chapter Mentoring Program is designed to link seasoned GRI designees with GRI candidates. If you are interested in spending time and sharing your knowledge with candidates throughout the state, we encourage you to apply to become a mentor.

This program is evolving and your input as to how and what services to provide are welcome.

All those who are accepted into mentoring roles should be available to: 1. Spend phone, email, fax and in-person time with a GRI candidate at least once a week. 2. Be willing to add comments and answer questions to blogs set up by the GRI Chapter and participate on a regular basis. 3. Participate on a committee to enhance the GRI Chapter Mentoring Program. 4. Write an article for publication on the GRI Chapter website, when appropriate.
